Education

•Motilal Nehru National Institute of Technology Allahabad, Prayagraj *2nd Year*
Bachelors of Technology (Materials Engineering) CGPA: 8.45

•GM Academy, Salempur *2022*
CBSE Percentage: 93

•GM Academy, Salempur *2020*
CBSE Percentage: 93.6

Personal Projects

•RideSaathi – Smart Ride-Sharing Platform **GitHub** *December 2025*
Full-stack MERN application enabling real-time, role-based ride sharing

- –Tech Stack: React (Vite), Tailwind CSS, Node.js, Express.js, MongoDB Atlas, JWT, Socket.IO
- –Engineered a scalable ride-sharing system with dynamic driver-passenger matching based on route and availability
- –Implemented real-time ride updates and tracking using WebSockets (Socket.IO) for low-latency communication
- –Designed concurrency-safe booking mechanism using MongoDB transactions (atomic operations) to prevent duplicate seat allocation
- –Built secure authentication system using JWT and OTP-based verification with role-based access control (Driver/-Passenger)
- –Developed modular RESTful APIs with clean architecture (controllers, middleware, services) for maintainability and scalability

•VideoTube – Full-Stack Video Streaming Platform **GitHub** *March 2026*
Scalable video sharing platform with interactive user engagement features

- –Tech Stack: React (Vite), Tailwind CSS, Node.js, Express.js, MongoDB
- –Built a full-stack video platform supporting video upload, streaming, and user interaction features
- –Implemented secure user authentication and session management for personalized content access
- –Designed and optimized video playback system with features like likes, comments, and channel subscriptions
- –Developed efficient REST APIs ensuring smooth client-server communication and data consistency
- –Created responsive and interactive UI with optimized rendering and performance enhancements

Technical Skills and Interests

Languages: Java, JavaScript, Python
Frameworks: React.js, Node.js, Express.js
Databases: MongoDB
Tools: Git, GitHub, VS Code, Postman
Areas of Interest: Full-Stack Development, Backend Engineering, Competitive Programming

Positions of Responsibility

•SMP Mentor MNNIT Allahabad *2025–Present*
•Member Dramatics Club *2024–Present*

Achievements

•Solved 400+ DSA Problems LeetCode *Covered topics like Arrays, DP, Graphs, and Greedy*
•Knight on LeetCode LeetCode Contest *Achieved Knight badge based on contest performance*
•Global Rank 686 LeetCode Contest *Among top ranks in a global contest*
