EDUCATION

Motilal Nehru National Institute of Technology Allahabad <i>Bachelor of Technology in Materials Engineering CGPA: 8.45/10.0</i>	Prayagraj, UP 2024 – Present
GM Academy, Salempur <i>CBSE Class XII – 93% Class X – 93.6%</i>	Salempur, UP 2020 – 2022

PROJECTS

RideSaathi – Real-Time Ride-Sharing Platform GitHub - React, Node.js, Express, MongoDB, Socket.IO, AWS EC2, Nginx, JWT - Architected a full-stack MERN platform with real-time route-based ride matching and live location tracking via Socket.IO WebSockets - Eliminated booking race conditions under concurrent load by implementing MongoDB multi-document atomic transactions - Engineered JWT + OTP dual-layer authentication with role-based access control across rider, driver, and admin roles - Deployed on AWS EC2 with Nginx reverse proxy and PM2 process manager, achieving zero-downtime production operation - Integrated demand heatmaps to visualize ride request density, enabling data-driven route optimization decisions	Dec 2025
VideoTube – Scalable Video Streaming Platform GitHub - React, Node.js, Express, MongoDB, Cloudinary, JWT - Built a production-grade YouTube-like platform with Cloudinary-backed adaptive video streaming and a full subscription model - Designed MongoDB aggregation pipelines powering channel analytics, watch history, and personalized subscription feed queries - Implemented JWT access/refresh token rotation for stateless, secure session management across frontend and backend services - Optimized frontend performance via React lazy loading and code splitting, reducing initial bundle size and improving load time - Built engagement features including likes, comments, and view tracking with efficient indexing for sub-100ms query response	Mar 2026

TECHNICAL SKILLS

Languages: Java, JavaScript (ES6+), Python
Frontend: React.js, Tailwind CSS, Lazy Loading, Code Splitting
Backend: Node.js, Express.js, REST APIs, WebSockets
Databases: MongoDB (Aggregation Pipelines, Transactions, Indexing)
DevOps & Cloud: AWS EC2, Nginx, PM2, Linux, Vercel

ACHIEVEMENTS

LeetCode Knight (Top 5% globally) | **Global Rank 686** in a rated contest | **400+ DSA problems** solved across arrays, trees, graphs, and dynamic programming
Maintained **CGPA 8.45** at NIT Allahabad while independently designing, building, and deploying two full-stack production applications

POSITIONS OF RESPONSIBILITY

Student Mentor – SMP Program Dramatics Club Member <i>MNNIT Allahabad</i>	2024 – Present <i>Prayagraj, UP</i>
- Selected as mentor for MNNIT's Student Mentorship Program; actively guiding junior students on academic strategies and technical skill development - Contributing member of the institute Dramatics Club, building cross-functional collaboration, communication, and leadership under pressure
